we've only

just begun

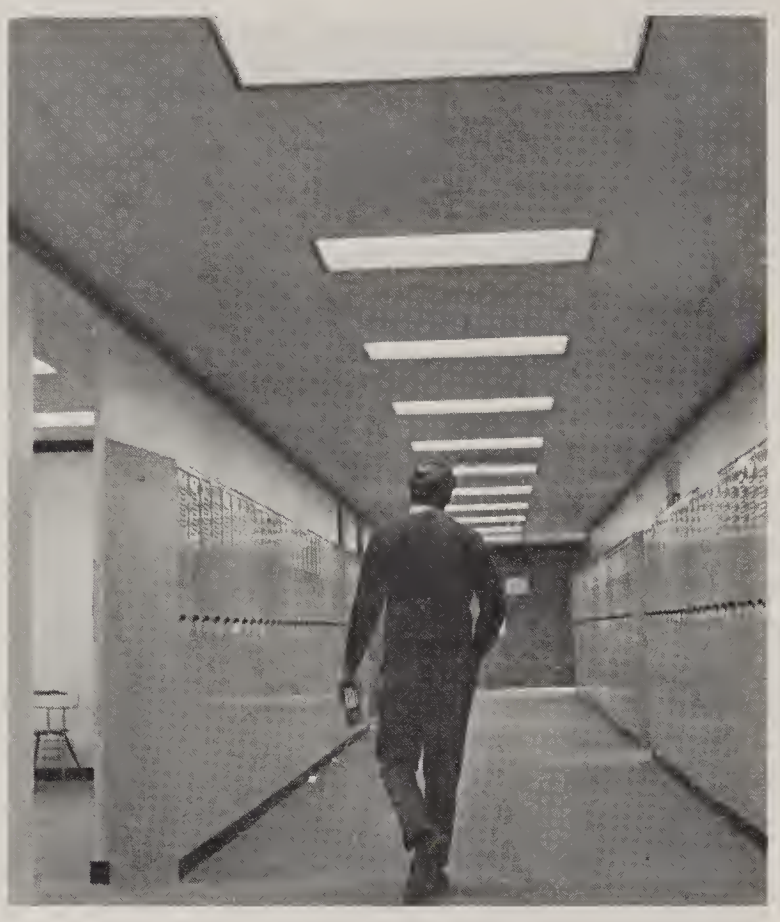
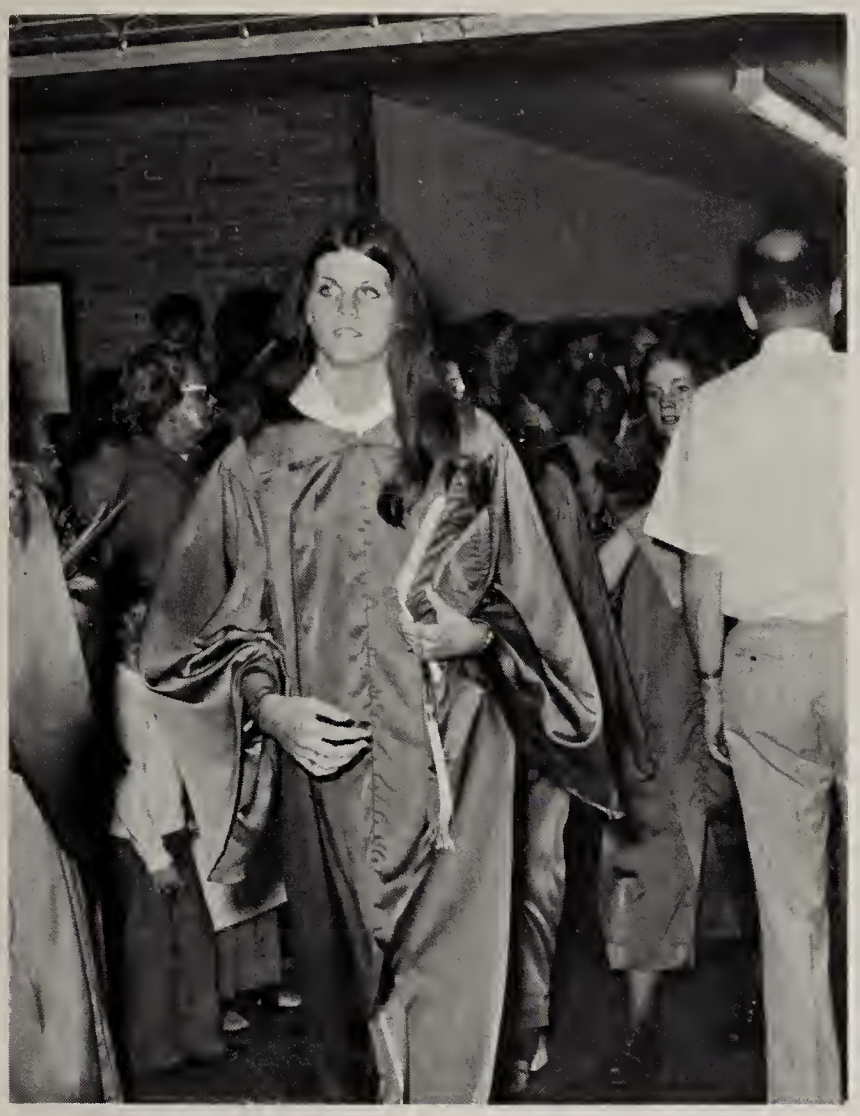
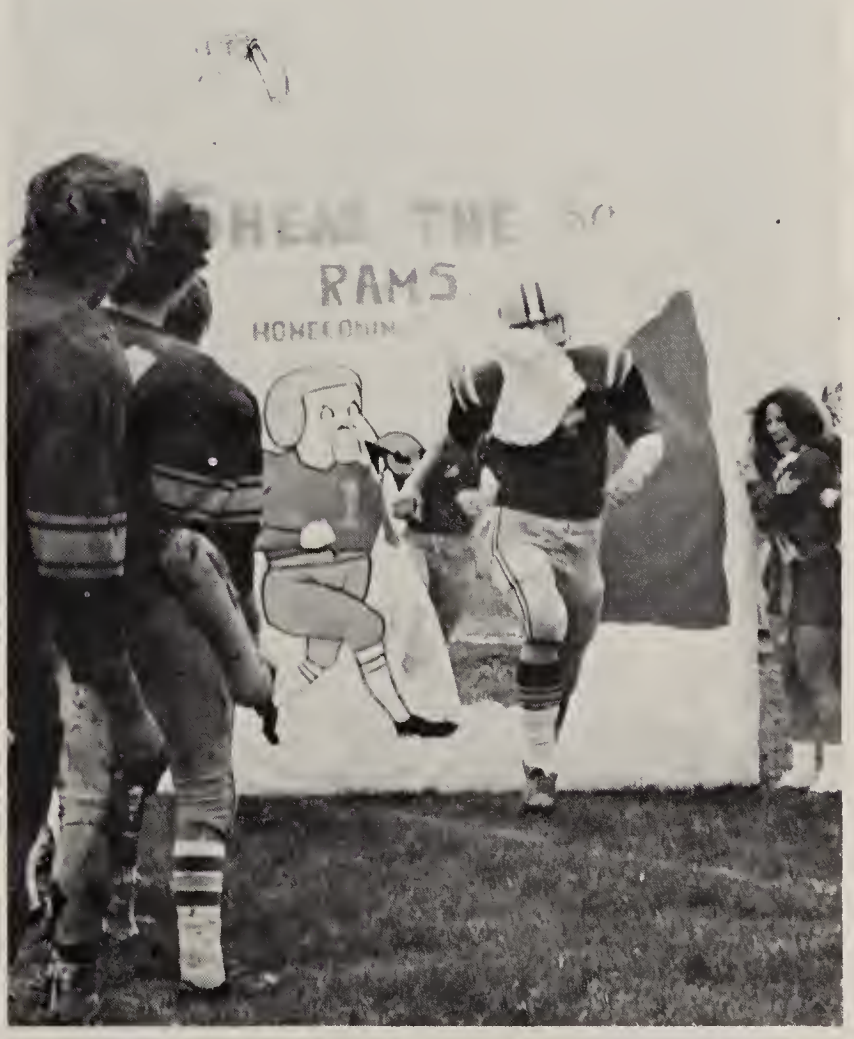
so much of life ahead

we'll find a place where there's room to grow

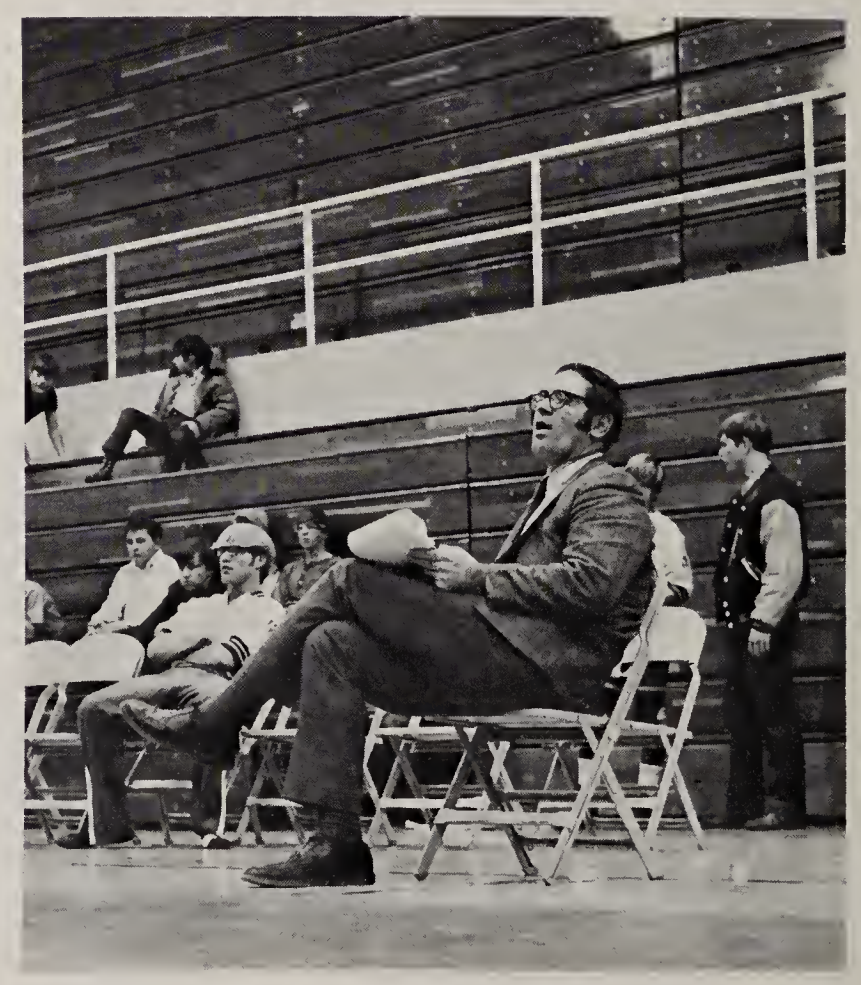




and yes
we've only
just begun
to
live

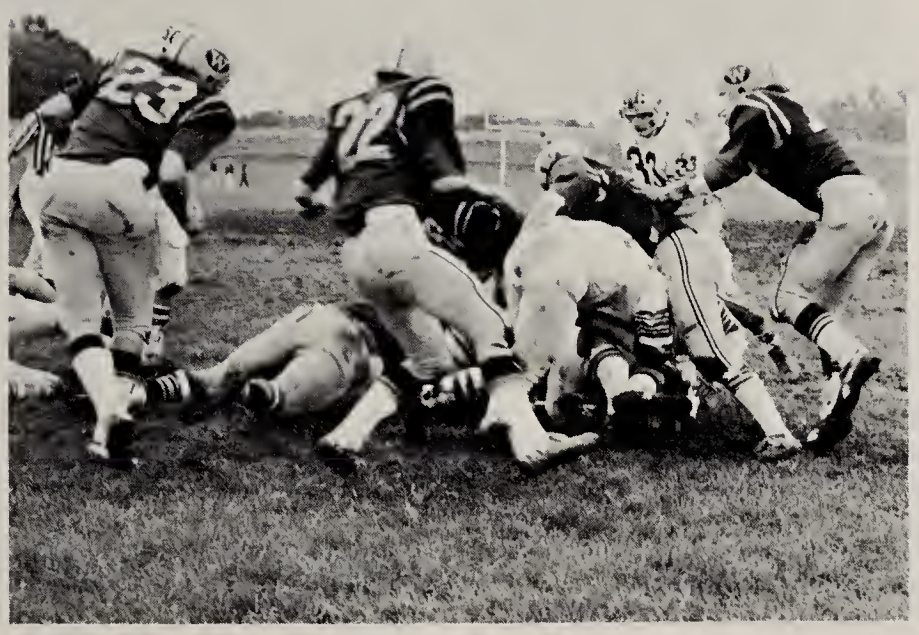


watching



the signs along the way

sharing horizons that



are new to us

working together day to day

and when the

evening comes . . .

we smile

together

we've only just begun

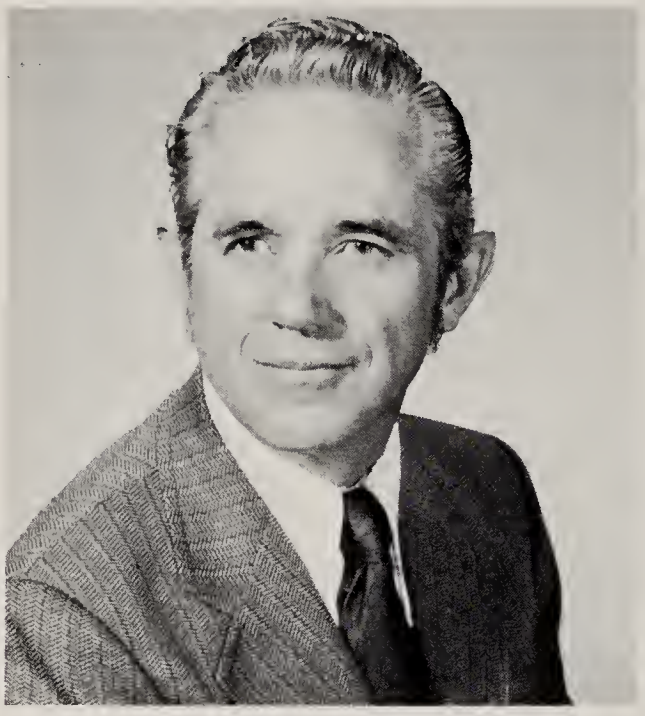
We've only just begun to live,
White lace and promises
A kiss for luck and we're on our way.
And yes, We've just begun.

Before the rising sun we fly,
So many roads to choose
We start our walking and learn to run.
And yes, We've just begun.

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day by day
Together.

And when the evening comes we smile,
So much of life ahead
We'll find a place where there's room
to grow,
And yes, We've just begun.

dedication



Mr. Icenogle

It is with great pride that we, the 1974 Yearbook Staff, dedicate this book to a man we feel has helped us most through our high school years. He has been our friend, as well as our teacher.

He started teaching here in the fall of 1947. He was a graduate of University of Illinois, 1946.
